Since writing the above, I have casually met Dr Benson who on reconsideration agrees with me in thinking that the punishment proposed in this letter is too severe. He is willing to release with the Hospital a certain amount of leave on account of absolute necessity of redeeming his character. He proposes that the H. A be placed under suspension for one year & then released with a warning that a repetition of such misbehaviour on his part would necessitate his removal from Service - Dr Benson desires Govt to pass an order accordingly & this may be done.

25/7/96

I could not tolerate such gross misconduct & am quite prepared to refer his report as opposed

recommended for the Senior Course.

But as an a music teacher that Miss Dishrock is with Hos. Asst. more than

I think that he should be upgraded to pay two 2nd to two 3rd. grades. This will be a more effective punishment than mere dismissal

I am sorry that this was lost sight of among my papers till now.

The Hospital Asst in question was recently reduced from the 2d class to the 3d grade by order N-1634-5 / Mis 243 d: 31st July 1896.

The Senior Surgeon now recommends his removal from the service giving him a gratuity for his service of 8½ years.

Under Art 320 of the M.S. Regns, when the service is less than 10 years, a gratuity calculated at one month's pay for each year of service may be sanctioned But as under Art 270(a) removal from the service for misconduct entails forfeiture of past service.

Special orders have therefore to be passed in the matter

The Offence for which the Hospital Assistant was dismissed is not one which under the rules in force debars him from being re-employed in the Public Service. The Insurance Secretary wants him to be declared officially by Government ineligible for Government employ with a view to re fund the prémia paid by him. The rule is that only those who have been convicted of a criminal offence such as malversation of funds and can be entered in the prescribed list.

Submitted to Secretary,

Please see copy of the Circular of 1867 (herewith submitted) regarding prescribed lists.

I do not think it will be proper to place a man on the proscribed list merely for the purpose of refusing a portion of his Insurance premia.

The Hospital Assistant having been

dismissed, the payment of his Insurance policy is governed by Rule 10 of the Insurance Rules. Under that Rule even dismissed officials can have the benefits of Insurance so long as they are not placed on the proscribed list.

The object of the present Enquiry is not clear.

18/8/97

The Senior Surgeon asks that this person's name be inserted in the proscribed list - but I doubt whether that is justified by the circumstances under which the man's dismissal was ordered -

Sir

I have the honor to forward for the consideration and orders of Government the accompanying papers in Connection with the Conduct of Hospital apistant J. Amirthanayagam who was ordered by me to Kolar to place himself under the orders of the Special Magistrate for Cholera duty.

From the Correspondence you will see that the Special Magistrate accuses the Hospital apistant of being drunk whilst on Cholera duty, and I myself can Corroborate this statement, as at the time of my visit to Kolar the Hospital apistant Came up to the Special Magistrates house whilst I was there, quite intoxicated.

The Hospital apistants explanation is also forwarded and as I do not Consider it

I have the honor to state that as hospital assistant J. Annamalai Pillay who has been reduced lately from 2nd to 3rd grade in Government Proceedings No: 1634-5 Dis 243 dy 31st July 1896 is absolutely useless and as no Confidence could be placed in his Capacity, I would strongly recommend to Government to grant him a gratuity to get rid of him.

I am aware that he is not entitled to any gratuity according to the Codal rules but in Consideration of his services for the past 8 1/2 years rendered to the Mysore State and in view to give him a living, the granting of gratuity is recommended as a special case.
